ENDORSEMENT

Through the years of Apostolate the Live Pure Movement, one of the pillars of the Live Christ Share Christ Movement of the CBCP, has done its share of reaching out to our young people all over the Philippines and in some parts of the world.

On October 9, 2016 the Movement will be holding its fifth conference at SMX CONVENTION CENTER, Pasay City from 12NN to 6PM. The conference for this year aims to make young people recognize and appreciate their truest worth and purpose as children of God.

Inasmuch as the Live Pure Movement Conference will greatly help our youth imbibe moral values, making Christ's principles the standard of their lives, I am endorsing said conference to the youth of the Diocese of Pasig hoping this will inspire them all the more to follow wherever our Lord would lead them.

MOST REV. MYLO HUBERT C. VERGARA, D.D.
Bishop of Pasig
