

CATHOLIC BISHOPS' CONFERENCE OF THE PHILIPPINES

EPISCOPAL COMMISSION ON YOUTH

The Episcopal Commission on Youth (ECY) of the Catholic Bishops' Conference of the Philippines (CBCP) recognizes the **Live Pure Movement**, one of the pillars of the Live Christ Share Christ Movement of the CBCP, as a valuable partner in youth ministry. With its mission of sharing the good news of chastity to young people, we are eager to support its movers as they reach out to as many youths as possible: in parishes, in schools and colleges, and in other contexts, both here in the Philippines and other parts of the world.

As the Live Pure Movement is preparing for its **5th Live Pure Conference** this year, we are happy to endorse this event to all young people and to their youth ministers, and to request everyone to share about this event. This October 09, from 9:00 AM to 6:00 PM, more than 10,000 young people are expected to gather at the SMX Convention Center in Pasay City to listen to and receive the good news about living pure lives and the unique and lasting joy that comes from it. We hope that youth ministers responsible for diocesan youth ministries as well as in parishes, campus ministries, youth organizations and other settings, will spread the word about this and promote the participation of their youth in this gathering.

Together with the Live Pure Movement and other partners who share our Christ-like and Spirit-led love for young people, let us continue with our ministries with the sole and noble aim of bringing the youth to a personal relationship with Jesus, who offers them His pure, absolute love.

In this Jubilee of Mercy, one act of mercy we can meaningfully perform is to lead and help young people recognize and appreciate their truest worth and highest purpose, which can be found in God alone.
